PRESIDENT'S PEN

Good news Yvonne Kaluski is out of hospital and doing fine. Whenever possible think about attending Open Days at various clubs within the District, by supporting these events players will reciprocate and support our events.

As you are aware your Committee decided to have an Easter themed raffle for our Frith Cup this year so I would like to sincerely thank all ladies who have donated Easter eggs for our Frith Cup raffle. Yes you have been so kind.

Rules of Golf - If there is a particular rule you would like addressed via our Newsletter please inform Maureen or myself.

Easter is almost upon us, doesn't this come around fast? May this *Easter* bring you, your family and friends all together for a great celebration filled with lots of joy, happiness and of course chocolate.

Lorraine Smith, Women's President

CAPTAIN'S CORNER

Even though the weather hasn't been altogether kind to us, we have managed to complete the March programme. Weekend Pennants has now finished and our girls came third overall, which is a great effort. The first game for both Division 2 and Bronze was washed out and will be replayed on the 5th May. Our first Par round of the year, which I know everyone loves, was our Captain's Trophy on 4th March and was won by Llama Laws with +4. Our Monthly medal winner for March is Louise Renshaw with 72Nett. Our greens have been cored and are coming along nicely. Frith Cup will be held on Tuesday 1st April and we have a great field for the event. Given we are so close to Easter, we have also made Easter the theme for the day. I would like to sincerely thank Beryl Tobin for her ongoing support and also Robyn Watt for her generous donation of prizes. Tuesday 15th April is our Let's Play Keno – 2-Person Ambrose. You will enter via the Website and there is a \$5 Entry **Per Pair**. The Mixed Event has been rescheduled to later in the year. We will advise when we have the date. As always, keep up the good golf.

Maureen Dyer, Women's Captain

APRIL FOOLS' DAY - JOKES

What did the ocean say to the shore?
Nothing, it just waved.

Why was the math book sad?
Because it had too many problems.

How do you catch a squirrel?
Climb a tree and act like a nut.

Why don't skeletons fight each other?
They don't have the guts.

Why was everyone so tired on April 1?
Because they just finished a 31 day March.
